CLEANUP REQUIREMENTS

- All cleaning must be completed **by the end of the rental time period**. We want the hall to be clean for the next function, just as it was for yours!
- All floors are to be swept or vacuumed. Any spills need to be wiped up.
- All trash should be removed from premises and clean bags put in barrels.
- If tables or chairs were collapsed, rearranged, or otherwise disturbed for the event, it is the responsibility of the renter to return them to their original condition and arrangement, unless otherwise agreed upon with the administrator. There is a table setup diagram posted near the dining hall doorway that you can use as a guide.
- For kitchen rentals: All utensils, plates, pots, pans, and any other kitchen resources belonging to the GWRC need to be cleaned and returned to their proper places. Dishwasher use is not permitted.
- Please be sure all lights are off and the door is locked upon your departure!

RENTAL FEES

Two separate fees are required to book the hall: One is the rental fee and the second is a refundable damage deposit. The deposit will be held until an inspection has been completed and signed off by a GWRC member and the key to the building has been returned.

Our commercial kitchen is available to rent for an additional fee and includes the use of our ovens, a small refrigerator, pots, pans, dishes, and silverware (no dishwasher).
