

SUMMER GWRC MARKET DAY CONTRACT

This Vendor Contract is between _____ and the Greater Wakefield Resource Center. Below are the requirements you are agreeing too.

You are set up outside, please make sure you bring your own pop-up canopy and chairs.

No political spaces will be rented out. This is for selling items only.

There are very limited spaces for electricity use. You must provide your own extension cords (some spaces require extra long cords so please be prepared) and there is an extra charge for electric rental.

Rent will be due the morning of the event- please be prepared before set up to pay in advance. If you do not wish to do some Saturdays please make the office aware so we can rent the space out as we don't want empty spaces. If you don't wish to participate any longer thru the summer, please let the office know and your space will be rented to next in line.

Our Summer Market Day will be held rain or shine unless the office deems it should be closed.

Event will be held every Saturday starting July 12th to August 30th (fall events will be held Sept. to end of October.)

GWRC is not responsible for Damages during these events

Please call the office of GWRC at 603-473-8324 for questions or concerns.

LOOKING FORWARD TO A FUN SUMMER EVENT!
